*(Monthly Financial Report available

I take Christian Education seriously. That's why every time I come across someone who doesn't know something biblically that I "assume" every Christian should know I get a twinge. That "twinge" is God poking me saying, "It's the church's responsibility to teach Biblical truths!! It's YOUR responsibility to see that it does!!" That's why I am so committed to Sunday school, our Wednesday night Bible study and children's programs, and our children's worship. They are all teaching opportunities.

But I also believe we have a responsibly to teach WELL. The church competes with television, Lake Cumberland, video games, computers, and a host of other entertainment options for our time. If we're going to have a reasonable expectation for folks to give of their time to be present for teaching and learning opportunities, we'd best be prepared to present the absolute best lessons and presentations we can. God deserves no less and so do our learners.

This week our volunteer children's workers for Wednesday night and children's worship have been engaged in preparation and training for our new Orange curriculum. Sunday school workers will be provided training in the near future as we are examining new curriculum for them as well. Additionally, ongoing help will be provided this fall for all children's workers on an as needed basis.

For adults, I will be making myself available for lesson planning help for those who seek it.

Finally, at next week's board meeting, I will be presenting an idea for a new class in an effort to reach those who are currently not involved in any Bible study ministry here in our church.

Teach your children well! And aren't we ALL the "Children of God"?

Doug

Talent show for kids

Wednesday, August 25 (*after our Wednesday night meal*), we are having a Talent Show to be presented by kids of all ages. So, parents, let your kids know so they can decide what they would like to share with FCC!!!

Please let me know what your child will be doing so I can make a program. If they require music to be played, please get that to me as well so I can make arrangements with Tommy.

Thanks so much!!

LIVING PROOF LIVE EVENTFEATURING BETH MOORE

This weekend AUGUST 13-14

LEXINGTON, KY @ RUPP ARENA

Who knew Bible study and worship could be so much fun!

Beth Moore's life-transforming Bible study challenges and inspires women of every age, everywhere. Joining Beth at this weekend event is acclaimed worship leader Travis Cottrell and the Praise Team.

Beth's focus will be on the Scripture that God lays on her heart for each individual Living Proof Live event — no two are the same. As she explores the Bible and how it applies to real life, you'll be amazed by her own experiences as a believer, and you'll be inspired to magnify and strengthen your own relationship with God.

Beth's mission is to guide women everywhere into a richer, more fulfilling relationship with the Father. She is a woman of purpose, preparation, prayer and passion. It's apparent in everything she does, from teaching Sunday School at her home church to sharing her biblical insights and observations in her Bible studies and books.

Each Living Proof Live event is scheduled for Friday, 7:00 - 9:30 p.m., and Saturday, 8:30 a.m. - 12:00 p.m. All seats are general admission.

Call 1-800-254-2022 to purchase tickets.

FUSION

FUSION

is the identity for our Youth at FCC.

Fusion means the merging of different elements into a union--- that is exactly what will be doing, merging students from different schools together to build *Connection*— with Jesus, *Community*—with other students and leaders, and *Compassion*—for the world around us.

ORANGE Curriculum begins September 5th

We are very excited to be rolling out a new curriculum, for all students ages nursery through High School, that will be used for Children's church on Sunday mornings and also for our small group studies on Wednesday evenings.

The series for toddlers-5 year olds is called First Look, and the K-5th grade series is called 252 Basics.

If you did not get a chance to attend one of the trainings for the new curriculum and are interested in teaching, — or just curious about the material —

please contact Chuck Aden for more information.

FUSION

Beginning last Wednesday evening, we started a new series called LIVING LARGE — it is a study on character qualities that are essential for M.S. and H.S. students. Come check it out and invite your friends.
