

Our heartfelt thanks to all the parents and all the children who participated in our *Back To School Style Show* and everyone that helped to make it successful as well as such a fun evening.

If you didn't attend, we hope you had a very good reason because you missed something really special.

We are pleased to advise that our receipts totaled *\$1,023.00* for the evening and we have been advised that additional money will be forthcoming. All proceeds go toward paying down our mortgage.

≈ We will update that figure shortly. ≈
